We have found lots of exciting things to play with.
Autumn Walk in Valley Gardens

We had a wonderful time visiting Valley Gardens and looking for signs of autumn.
Dentist visit

We had a visit from a dental nurse. She brought in Colin the crocodile to show us how to brush our teeth properly.
Harvest Assembly

Our songs this year were based on Old Macdonald. We had lots of fun making autumn crowns and learning some new songs.

We collected tins and packets which we donated to the Harrogate Food Bank.
Doctor visit

We had a visit from a Doctor. He talked to us about his job, showed us how to use bandages and let us listen to our hearts using a stethoscope.
Mr Morley and his two owls - Gizmo the transformer owl, and Archie the Barn owl - came to visit. Mr Morley told us all about each owl, how they eat, how they hunt for their food, what they like to drink and how they fly silently. It was so exciting watching the owls fly around our school. We even got to hold them and help them take off!
Children In Need
Autumn 2019

We wore pyjamas and made donations on Children in Need day.
Early Years Christmas Show
Early Years Christmas Lunch

We had a scrumptious Christmas Lunch prepared by Mrs Whitehead and her team. Thank you ladies it was delicious.
We had a lovely time in Valley Gardens on our Spring Walk and the sun even came out for the afternoon. We rolled our Easter Eggs down the hill, had egg and spoon races, played
Chinese New Year

We learnt about Chinese New Year. We did lots of Dragon crafts, made lanterns and even built dragons and the Great Wall of China in the classroom.
Easter Bonnet Parade

We really enjoyed showing off our Easter Bonnets and singing an Easter Song to everyone.
Big Picnic!
